Si raccomanda di seguire le istruzioni di montaggio e di evitare usi impropri.
Il prodotto teme il contatto diretto con l'acqua e gli ambienti molto umidi.
Per la manutenzione ordinaria, pulire il prodotto con panno umido o detersivi non aggressivi.
Per la manutenzione straordinaria, affidarsi a personale specializzato.
Per gli imballi è utilizzato materiale riciclabile al 100%.
Al termine dell'installazione tutti i materiali non utilizzati devono essere smaltiti in conformità alle norme vigenti e non dispersi nell'ambiente.
Il prodotto è conforme al D.L. N°206 del 06/09/2005 Codice al consumo.

*We recommend following the assembly instructions. Please avoid improper use.
Direct contact with water or very damp environments are to be avoided.
Everyday maintenance can be done with a soft cloth. Do not use aggressive cleaning substances.
For extraordinary maintenance you should ask specialized personnel.
Packaging used is 100% recyclable.
On completion of installation all unused materials must be disposed of in compliance with the current regulations and not dispersed in the environment.
The product is in line with D.L. No. 206 of 06/09/2005 Consumer Code.*

*Il est recommandé de suivre les instructions de montage et d'éviter toute utilisation inappropriée.
Le produit est sensible au contact direct avec de l'eau et à une forte humidité.
Pour l'entretien ordinaire, nettoyer le produit avec un chiffon humide ou des détergents non agressifs.
Pour un entretien extraordinaire, faites appel à du personnel spécialisé.
Pour l'emballage nous utilisons un matériau à 100% recyclable.
À la fin de l'installation, tous les matériaux non utilisés doivent être éliminés conformément aux réglementations en vigueur et ne pas être dispersés dans l'environnement.
Le produit est conforme à la D.L. N° 206 du 06/09/2005 Code de la consommation.*
